FLOOR DEBATE

this bill to the next step of debate. If you believe there's something that needs to be addressed, you'll have another round, and another round after that, that you can argue home your point. Or if you have an amendment you'd like to try. We're not to the end of the trail, but we want to start taking that journey right now. I think everyone has voiced their frustrations, and has added things to the comments and to the bill through their comments. I've listened to most all of them.

SPEAKER BROMM: One minute.

SENATOR JANSSEN: And I can understand some people's frustration. I think now is the time to listen to what your constituents say, and advance this bill to the next round of debate. Mr. Speaker, I would ask for a call of the house and a roll call vote. Thank you.

SPEAKER BROMM: Thank you, Senator Janssen. You've heard the closing. The question is whether we should go under call. All in favor please vote aye, and opposed nay. Record.

CLERK: 39 ayes, 0 nays, Mr. President, to place the house under call.

SPEAKER BROMM: The house is under call. All unauthorized personnel please leave the floor. Members, please return to your seats and record your presence. Senator Thompson. All members are present. Mr. Clerk.

CLERK: (Roll call vote taken, Legislative Journal page 739.) 25 ayes, 19 nays, Mr. President, on the advancement.

SPEAKER BROMM: LR 11CA does advance. Mr. Clerk, do you have items for the record? And the call is raised.

CLERK: Mr. President, an amendment to be printed, Senator Schrock, to LB 143. Reference report referring LB 806 and LB 807 to Business and Labor. And Mr. President, two new bills by the Appropriations Committee. (Read LB 808 and LB 809 by title for the first time.) That's all that I have, Mr. President. (Legislative Journal pages 739-740.)
